OFFICE NOTE

File No. 36-04.

SUBJECT.

Re the prayer of Dasa Setty of Yedatore to convert all the lands endowed by him chattram built by him at Yedatore, as inam on one-tenth jodi.

From

The Deputy Commissioner Mysore District.

Letter No. 444 Dated 19th September 1907.

In the D R.A meeting of 1903, Mr Amble Annaih Pundit, Representative member of the District Fund, Mysore, stated that encouragement might be given to such persons as established permanent Anna chattrams by granting them lands yielding an annual income of 60 Varahas or by remitting the assessment on the lands already endowed by 60 Varahas. In that connection, he referred to Arakalgud Dasa Setty's application for a similar concession in regard to the Annacha-

built by him in Yedatore at a cost of Rs 8000/
The Reply of Govt. on the representation was "will
be enquired into." The Deputy Commissioner of
Mysore District was thereupon requested
to report whether Dasa Chetty's Chatram referred
to was endowed with any lands by the donor
for its maintenance and whether it was an
important institution much resorted to
by travellers. In reply, the Deputy Commissioner
stated that lands measuring 87 acres and 36 guntas
assessed at Rs 221-2-9 and yielding an annual
kutta of 87 khandis of paddy, together with
Rs 200/- in cash had been endowed to the Chatram
by Dasa Setty, and that brahmin travellers
about 25 in number were being daily fed,
and he therefore strongly recommended the
of some concession. The papers relating
to the subject having been forwarded to the
General and Revenue Secretariat, the Govt.
in their Pro: No. R. 18-21 / L.R.302-04-6, dated 4th July 1905,
directed that a portion of the assessed lands
to Dasa Setty, bearing an assessment
Rs 90/- should be conferred as inam on a
of Rs 9/- for the benefit of the Chatram

Dasa Setty thereupon presented a

petition stating that the concession granted to him in the above said Govt order was insufficient for the conduct of regular feeding in the Chattram and praying that a further concession might be shown to him. This petition having been forwarded to the Deputy Commissioner, the latter Officer stated that the Chattram was well founded and kept up, and that the expenditure incurred therein was in excess of the income from the lands &c, and recommended that the further concession asked for by Dasa Setty viz to extend the concession to the ~~additional~~ remaining lands by confirming them as inam on the same footing deserved the favorable consideration of Govt. The Govt however, following the principle laid down in Appendix G to the Land Revenue

Para 2 of Appendix G of the Land Revenue Rules referred to in the above order of Govt. is as follows:-

"Unoccupied lands assessed at Rs 90 will be given to Chattrams or Musafirkhanas built at an outlay of about Rs 500/- and a jodi equivalent to 1/10 of the assessment on the land will be fixed payable at Shrotriem rates."

Dasa Setty again petitioned stating that he built his Chattram at an outlay of Rs 5,000/-, that the lands endowed to the Instn were not ~~to~~ granted by Govt but his own lands purchased by him for about Rs 16,000/- and that therefore the rule above alluded to did not apply to the present case. He moreover stated if the Govt would be pleased to treat the remaining lands also

The petition ~~has~~ was forwarded to the Deputy Commissioner for an expression of his opinion on the view of the case now put forward by the petitioner. The Amildar, the Divisional Assistant Commissioner and the Deputy Commissioner, all state that ~~the pre~~ under the circumstances ~~above~~ set forth, the prayer of the petitioner deserves all the more special consideration and encouragement at the hands of Govt."

Rule 2 appendix G states that the grant of land is made for the express purpose of providing an establishment for keeping the building clean. It evidently does not contemplate the grant of any concession on account of charitable feeding of either Brahmins or travellers or the grant of increased extent of land in proportion to the amount of the outlay on the chattram or musafar-khana in excess of Rs 500/. I am

therefore unable to support the recommendation of the Deputy Commr.

In this connection I beg to observe that appendix G does not properly fall under Section 112 of the Land Rev: Regn. Even under the old Land Rev Rules issued with Notifn No. 150 dated 22nd July 1890 the rules of appendix G are placed under Sec 112.

On a careful instruction of this section I am inclined to hold that the power reserved in Govt to make any modification in the assessment fixed by the Survey Offier refers to the general discretion vested in Govt for raising or reducing the rates of assessment and not to the right of Govt to grant any land in Inam or Jodi. This will be clear from the fact that the imposition of quit rent on Inams

GPB—3,000—22-6-06

and their revision are regulated by the Inam rules separately framed by Govt. Vide also Part I Rule 18 and Part IV Sec 19 of the Inam rules and the fact that Govt. can fix under this clause of the section the assessment in regard to lands used for purposes of "agriculture alone" for a term of years not exceeding thirty. Whereas the grant of lands under para 2 of appendix G on Jodi would ensure perpetually subject to resumption as per provisions in Rule 8. Compare also the corresponding Sec No 102 of the Bombay Code.

The grant of lands for the purposes referred to in Appendix G is made by Govt. in exercise of its powers of alienation for which no provision of Land Rev code would seem to be necessary

(vide the definition of the word "alienated" in section 3 of the Land Revenue Regulation).
The form of the Sannad prescribed in Appdx G is also open to the objection that while the wording of Rule 12 would seem to include generally the ground given for the construction of the Chattram as well as the land granted as godi and a note to the Schedule in the Sannad refers to the grant of the land free of assessment or subject to the payment of godi, the words of the body of the Sannad would seem to apply only to the former viz the ground granted for the construction of the chattram.

Mysore Secretary's remarks:—

The request now made has been already before Govt and it was refused by orders passed in the Revenue Department.

It is true that Appendix C does not allow more than the grant of Govt. unoccupied lands assessed at Rs 90 on a Jodi of ½ths thereof that is Rs 9 in the case of all Chattrams built for Rs 500 & upwards, for keeping the place clean and for appointing a caretaker thereto. Petitioner represents that no lands were given for the benefit of the Chattram but that he endowed his own lands to the institution and that the concession allowed to him already is insufficient for managing his Chattram.

The Revenue Commissioner does not support the recommendation of the local Officers.

Under appendix G it does not appear that anything more can be done than what has already been conceded to the Petitioner, but what the Petr. asks you is for a further concession from Govt. taking into consideration the fact that Govt. lands were not given to him & the fact that he has established a popular charity for which he finds the present income of the lands endowed by him insufficient. The Grant of such a prayer is not provided for in any existing Rule and it has now to be considered whether Govt. will come forward to aid such charities.

Muzarai Department.

Sir,

Adverting to your docket No. 5777 dated 12th June 07 calling for my opinion on the view of the case now put forward by Dasasetty of Yedatore in his petition (herewith retransmitted) praying for an extension of the concession to the additional lands assessed at Rs. 90/- by confirming them as Inam on a jodi equivalent to $\frac{1}{10}$ th of the assessment for the benefit of the chatram built by him at Yedatore, I have the honor to submit herewith the file of records bearing on the subject received with memo No. 20 dated 3-9-07 from the Sub Divisional Officer of Mysore and to state that the question has been fully discussed by the Amildar of the Yedatore Taluk in his English report No. 8 dated 30-7-07 filed with the records.

2. In para 2 of of Appendix G" to the Land Revenue Rules of 1890 it is stated that "unoccupied lands assessed at Rs. ~~10~~ 90 will be given to chatrams or Musafarkhanas built at an outlay of about Rs. 500/- and a jodi equivalent to $\frac{1}{10}$ ~~the~~ of the assessment on the land will be fixed payable at shraya rates"

3. The circumstances under which the petitioner prays for concessions from Government are that he has built a chatram at an outlay of Rs. Rs. ~~500~~ 5000/- and endowed it with lands valued at more than 15000/- Rs.

4. I agree with the Amildar in the opinion expressed by him

him and beg to submit that the rules in appendix "G" are o not on all fours with the present case seeing that Dasa - setty has endowed his private land assessed at Rs. 221 for charitable purposes, the prayer of Dasa setty regarding the extension of the concession already granted to him by Government to another portion of land assessed at Rs. 90/- deserves all the more special consideration and encouragement at the hands of Government.

a portion of the land,
endowed by Dasa Setty
to the chatteram saith.
by him at yedatore, bear-
ing an assessment of ~
Rs 90/- was confirmed
as Inam on a yadi ~
equivalent to 1/10th of the
assessment, while in
the 2nd order, the prayer
of Dasa Setty for the
extension of the concession
to the additional lands
endowed to the chatteram,
was rejected. In his
present petition now
above. Dasa Setty asks
for further concession
from Govt taking
into consideration the
fact that Govt lands
not given to him on

the fact that he has
established a popular
charity for which he
finds the present income
of the lands endowed
by him insufficient
as the Dy Comm strongly
supports the petitioner's
prayer.

(2) The Govt observe
that Rule 2 Appendix C
does not contemplate
the grant of further
concession applies for
by Dasa Selby beyond
what has already
been shown to him,
in proportion to the
amount of the outlay

on the chattram in-
Excess of Rs 500/-. On fact
the grant of such a-
prayer is not provided
for in any existing Rule
The Govt therefore regret
their inability to show
any further concession
to the chattram in quest.

Proceedings of the Government of H.H. the Maharaja of Mysore

Read:-

Government Order No. 18-21/L. R. 302-04-6, dated the 4th July 1905, (issued from the General and Revenue Secretariat) directing that a portion of the land endowed by Dasa Setty to the Chattram built by him at Yedatore, bearing an assessment of Rs. 90/-, be confirmed as inam on a jodi equivalent to 1/10 of the assessment.

Government Order No. 13631/L. R. 614-05-2, dated 23rd April 1906 (issued from the General and Revenue Secretariat), declining the extension of the above concession to the additional lands endowed to the Chattram in question.

Petition Registered No. 5182 dated 15th May 1907, from Dasa Setty of Yedatore praying for a reconsideration of the foregoing orders.

Letter No. 144, dated 19th September 1907, from the Deputy Commissioner, Mysore District, reporting on the above.

Order thereon No. 5736-8 Dated Camp Mysore 6th June 1908.

6742 Rev 6388/07-3

In the first of the orders read above, following the principle laid down in Appendix C to the Land Revenue Rules, a portion of the land, endowed by Dasa Setty to the Chattram built by him at Yedatore, bearing an assessment of Rs. 90 was confirmed as Inam on a jodi equivalent to 1/10 of the assessment, while in the second order, the prayer of Dasa Setty for the extension of the concession to the additional lands endowed to the Chattram, was rejected. In his present petition read above, Dasa Setty asks for further concession from Govt. taking into consideration the fact the Govt. lands were not given to him and that he has established a popular charity for which he finds the present income of the lands endowed by him insufficient. The Dy. Commissioner supports the petitioner s prayer.

2. The Government observe that ~~Rule~~ 7 Appendix C does not comtemplate the grant of the further concession applied for by Lisa Setty beyond what has already been allowed, in proportion to the amount of the outlay on the Chattram in excess of Rs.500/-. In fact, the grant of such a reward is not contemplated in an existing Rule. The Government therefore regret their inability to show further concession to the Chatiram in question.
